## **International Films Day 3**

### **Survivor**

14mins Drama Iran 2022  
Director Karim Azimi

Some immigrants are waiting to cross the sea. With other immigrants, a young couple is hoping to reach the light of the world, but they encounter problems when their baby is born.

### **The End Of The Story**

25mins Documentary UK 2023  
Director Tara Douglas

The End of the Story is a personal journey to the Andaman Islands to record voices for dialogues in the indigenous Andamanese language for a short animated film. The film-maker learns about animism as she brings long lost ancestral characters to life through animation, but the voices of the last speakers of the language are no longer heard.

### **For Child Never Born**

15mins Drama Iran 2022  
Directors Afsaneh Aghanezhad, Vali Bagheri

A girl sees the loss of her father and her pregnant mother's effort to face societal problems.

### **Cercas**

19min Drama Brazil 2022  
Director Ismael Moura

After losing her mother, Maria needs to face her fears and break through the fences to the world.

### **Something Still Burns**

64mins Documentary Italy 2021  
Director Daniele Gangemi

Something Still Burns, one of Mario Venuti's most successful songs, is the cinematic opportunity to retrace the story of one of the most important contemporary Sicilian singer-songwriters of today.
